Devastating fire: A tremendous fire swept through the building that housed Christone Enterprises and rental apartments during the early morning hours of May 14.

Tony Sosa, checkered shirt, puts a barricade in place while Chris Mendola, surveys the damage. The two are co-owners of the building. Anthony McCoy, whose apartment was destroyed by the fire, is shown in the back. The owners of the building are planning a renovation and hope to move back there. In the meantime, Christone Enterprises is operating at 117 E. First St.
